

**CITY BUSINESS
PLACES**

**Directory of Marshfield's
Retail Institutions**

**Professional Men and
Artisans also Listed**

In view of the great number of new residents who have recently taken up their abode in this city and which is increasing every week, we deem it timely to publish a complete directory of the business and professional men with whom they are likely to come in contact in ordinary business transactions. We omit such institutions as deal entirely upon a wholesale basis and include, only the retail dealers, professional men and artisans who supply the home demand for their line of merchandise or services. The following is a complete catalogue arranged alphabetically under each head:
