

507 E 8th Street

William J. Krause came to this area with his wife, Bertha in 1901, living first on a farm in the Town of Richfield before entering the grocery business on the corner of South Central and 9th Street. In 1921, he sold the South Central location and built a new store, Wm. Krause's Grocery at 507 E. 8th Street. The new store was a prime example of the small neighborhood grocery stores that sprang up all over Marshfield. After Mr. Krause's death in 1938, his wife continued to run the store in partnership with her son-in-law, George Biechler changing the name to Krause-Biechler Grocery. After Mrs. Krause's death in 1951, George continued to run it as Biechler's Grocery and later, Biechler's Superette, until his retirement in May of 1966, when the larger grocery stores and super markets started opening in Marshfield. After closing, George re-opened the store the end of May as the East Side 2nd Hand

Shop and several months later as East Side Resale Furniture and finally the East Side Resale Shop, operating it part-time with his wife, Esther, until her death in 1990 and solely until his death in November of 1992.

Wilson Rector, who has conducted a grocery store on East Fourth street the past year, has purchased the William Krause grocery and real estate at Central avenue and Ninth street and will take possession October 1. His intention is to combine his present stock with that of the Krause store. Joe Bouliou, a few months ago, purchased the property now occupied by Mr. Rector. The Krause property comprises a two-story building and two lots.

A VIEW OF BUILDING OUTLOOK

One Contractor Reports He is Very Busy—Is Putting up Two Buildings for Wm. Krause

Judging from the jobs and prospects Contractor James Wegner has, there will be no dearth of work in the building line in this city this year. He reported having some work under way and as figuring on a number of prospects for estimates. The jobs on which he is busy are the Blodgett hotel addition, a residence and store building for William Krause at Vine and Eighth streets and a residence for Mrs. Trudeau on Cherry street, near Eighth.

The hotel addition will be 44x56 feet in dimensions, two stories high, of brick backed with tile, on a concrete foundation, connected with the new part of the hotel with a seven-foot wide hallway, fourteen feet above the alley way, which also will be of brick, supported with steel truss work. The work of tearing down the barn to clear the site has been finished, and excavating for the basement will start as soon as the condition of the ground permits. Mr. Wegner stated the addition will have 18 guest rooms, 12 with bath.

The Krause store building, 24x32 feet, one story high, will face Eighth street. He expected to start work on pouring concrete for the foundation this week. The foundation for the residence of the bungalow type, 28x39 feet, with eight living rooms, is in, ready for work on the upper structure.

The Trudeau residence will also be of the bungalow type. It will have seven living rooms. Mr. Wegner had arranged to begin excavating for the basement today.

For \$1—This Week Only To Women Who Failed to Get It

We have supplied our famous Cookers to more than a million homes. But we want every home using Quaker Oats or Mother's Oats to have one. So we repeat for one week only this attractive Dollar Offer.

Now a Very Costly Offer

This to us, at present aluminum prices, is a very costly offer. Yet we have those Cookers made to our order in enormous lots.

Such an Aluminum Cooker, extra large and heavy, would probably cost at retail more than you care to pay. But you need it to cook cereals rightly. So we want you to have it—for your sake and our sake—if you are cooking our cereals without it.

If you have this Cooker, our offer is not open. We cannot supply more than one to a family. But, if you failed to get one, get it now. This offer is made for one week only. It cannot be repeated unless Aluminum comes down.

Keep the Rich Flavor Intact

Quaker Oats and Mother's Oats are made from queen grains only—just the rich, plump, flavory oats. We get but ten pounds from a bushel.

This is done to secure a superlative flavor. Little grains, puny and insipid, lessen out-food delights.

Now we ask you to cook these luscious oat flakes so that flavor keeps intact. Cook them so they easily digest. This Cooker will help you

to do that, as it does a million others. It is yours for \$1 if you send this week. And if you send the sales slip asked for, to show that you are using this delicious grade of oats. You will save enough to buy a great deal of cereal by accepting this dollar offer.

Your Last Chance to Get It

Buy from your grocer five packages of either Quaker Oats or Mother's Oats. Or buy four packages of the oats, and one of either Quaker Best Corn Meal or Quaker Hominy. Send us the grocer's sales slip with \$1 and we will mail the Aluminum Cooker by parcel post. Sales slips must be mailed within one week.

Tot on Tricycle Crushed by Truck in Marshfield Street

Year's Second Traffic Death Occurs in City

Driver Never Saw Child Until After Fatal Accident

A 4-year-old Marshfield girl was instantly killed today when her body and the tricycle upon which she rode were crushed beneath the wheels of a two-ton milk truck.

The tragedy occurred at 10 a. m. as Cheri Ann Miller, daughter of Mr. and Mrs. LeOrr Miller, pedaled into the path of the eastbound truck just in front of the Krause-Biechler Grocery at 507 E. Eighth street.

The truck, owned by the John Wuethrich Creamery, Greenwood, was operated by Raymond Ackerman, 26, Greenwood. Ackerman stated that he had parked in front of the store to make a delivery, and after looking in all directions ! to see that the way was clear pulled away from the curb.

Unseen by Driver

Ackerman said that he heard a thump, but thought it was merely the ditch until he was hailed by Chet Lindsley, operator of a barbershop adjacent to the store. Lindsley did not see the accident occur, but noticed the body and the tricycle lying in the street immediately after the truck passed.

A little boy playing nearby told police that the right rear dual wheel appeared to hook the tricycle and drew both it and the girl underneath.

Walter H. Wohlfahrt, chief of police, said that the girl had gone to the store with her grandmother, Mrs. Lawrence Miller, and left the establishment before Mrs. Miller had completed her shopping. The girl's parents and grandparents live together at 615 S. Vine street.

Second City Fatality

Ackerman was booked on a charge of parking left wheel to curb, and police indicated that the case would be heard later this week. He told authorities that it was his first accident of any type in 10 years of driving.

Chief Wohlfahrt, discussing the tragedy, said that police should be called immediately when such an emergency arises. Although this , morning's tragic accident occurred at 10:10 o'clock, the Police Department was not notified until 10:26.

The death was the second traffic fatality of the year for Marshfield. Another pedestrian, Bernard D. Poland, 70, died Jan. 17 of pulmonary embolism caused by injuries sustained in a mishap Jan. 14.

Poland was struck at Sixth street and Central avenue, near the filling station operated by Cheri Ann's grandfather, Lawrence Miller.

No Inquest Planned

The child's body was taken to the Hansen Funeral Home. Funeral services have not as yet been completed. In addition to her parents, Cheri Ann is survived by two sisters, aged 5 and 2.

Dr. F. A. Boerman, deputy coroner, impaneled a jury, but announced later that no inquest would be held. Members of the jury are Walter Noll, Gordon Beck, William Steffeck, Neil Wundrow, and Lester Knutson, all of Marshfield.
